### **Forward-Looking Statements**

The amount and specific timing of any future dividends is subject to the final determination of the Board of Directors and depends upon the actual results of the Company and applicable provisions of law. At this time, the Fund is unable to make a conclusive determination as to the characteristics of the distributions discussed herein. All or a portion of the distribution may be characterized as ordinary income, capital gains, or a return of capital. In January, a Form 1099 DIV will be sent to shareholders that will state the aggregate amount and actual tax characterization of distributions for the preceding year. There can be no assurance that future MVC dividend payments will match or exceed historic ones, or that they will be made at all.
